Book I
featuring

GABRIEL CONROY

with

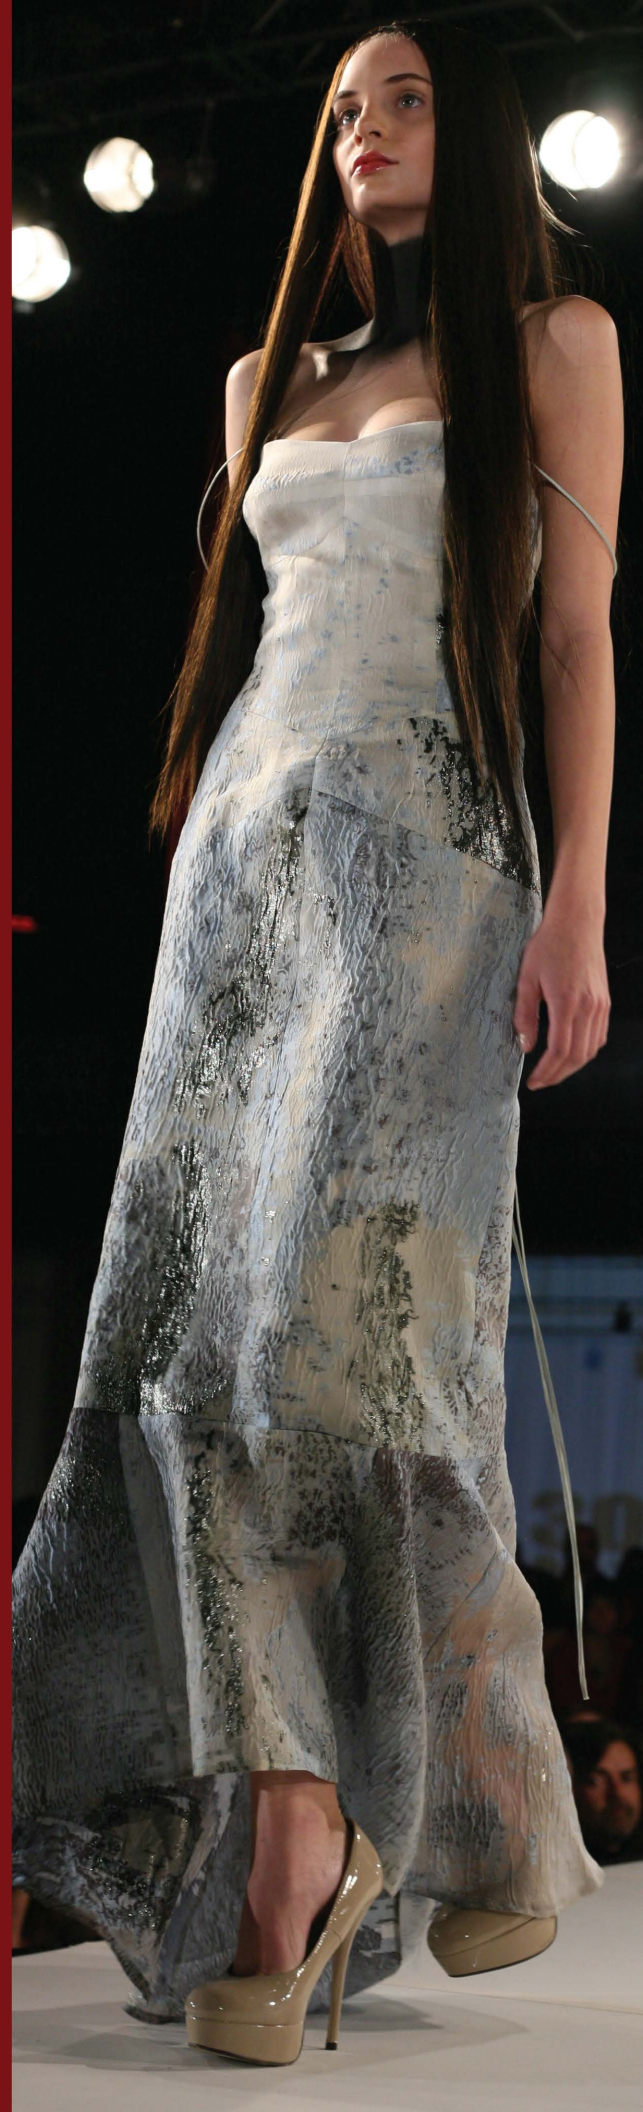

MM

MATTHEW MORRIS
SALON AND SKINCARE

I am pleased to support the Colorado Aids Project. I believe that HIV AIDS is a grave issue that deserves keen awareness and attention. I chose to show these particular pieces in hopes that they reflect both the hope and the tragedy that HIV AIDS has created in today's society. AIDS has touched the lives of so many people, especially in the fashion industry. I am proud to put my best pieces on the runway for this cause.
